

EMANUEL MAIA

QA Tester / Front-End Developer

Fortaleza, Ceará, Brazil | +5585992204871 | emanuelmaiadev@gmail.com

Profile

Full Stack Developer and QA Analyst with strong experience in building scalable applications and ensuring software quality from end to end. I combine clean code with robust testing practices to deliver reliable and high-performance solutions.

Employment History

Gamification Analyst at VeganHive - NeoEvolution, Toronto

Dec 2023 - Jan 2024

- Designed gamified point and reward systems based on user behavior.
- Created incentive mechanics to increase engagement.
- Integrated game mechanics into digital platforms.
- Collaborated with cross-functional teams in agile environments.

Front-End Internship at VeganHive - NeoEvolution, Toronto

Mar 2023 - May 2024

- Fixed UI bugs and improved user experience across the website.
- Implemented front-end updates using React and Tailwind CSS.
- Worked closely with designers and product managers to align visual and functional flow.
- Helped improve performance and visual consistency across pages.

QA Analyst at VeganHive - NeoEvolution, Toronto

May 2022 - Jul 2022

- Detected and documented bugs through exploratory testing and Insomnia.
- Created test plans and task flows for developers based on findings.
- Ensured manual tests while preserving code integrity and security.
- Collaborated with the dev team to ensure bug-free releases.

QA Analyst (Full-Time) at VeganHive - NeoEvolution, Toronto

Dec 2022 - Present

- Drive QA automation efforts using Cypress, writing robust and maintainable test scripts.
- Build and test suites for regression and end-to-end flows.
- Identify and report bugs, collaborating with developers and designers for fixes.
- Maintain documentation and testing protocols for performance and quality assurance.
- Contribute as a front-end developer with React and Next.js.
- Participate in code reviews and agile sprints.

Education

Certification in Full Stack Web Development, Infinity School, Fortaleza
